DEFENDANT: Timothy Goetze

CASE NUMBER: 7:25-CR-00146 (CS)

#### STANDARD CONDITIONS OF SUPERVISION

As part of your supervised release, you must comply with the following standard conditions of supervision. These conditions are imposed because they establish the basic expectations for your behavior while on supervision and identify the minimum tools needed by probation officers to keep informed, report to the court about, and bring about improvements in your conduct and condition.

- 1. You must report to the probation office in the federal judicial district where you are authorized to reside within 72 hours of your release from imprisonment, unless the probation officer instructs you to report to a different probation office or within a different time frame.
- 2. After initially reporting to the probation office, you will receive instructions from the court or the probation officer about how and when you must report to the probation officer, and you must report to the probation officer as instructed.
- 3. You must not knowingly leave the federal judicial district where you are authorized to reside without first getting permission from the court or the probation officer.
- 4. You must answer truthfully the questions asked by your probation officer.
- 5. You must live at a place approved by the probation officer. If you plan to change where you live or anything about your living arrangements (such as the people you live with), you must notify the probation officer at least 10 days before the change. If notifying the probation officer in advance is not possible due to unanticipated circumstances, you must notify the probation officer within 72 hours of becoming aware of a change or expected change.
- 6. You must allow the probation officer to visit you at any time at your home or elsewhere, and you must permit the probation officer to take any items prohibited by the conditions of your supervision that he or she observes in plain view.
- 7. You must work full time (at least 30 hours per week) at a lawful type of employment, unless the probation officer excuses you from doing so. If you do not have full-time employment you must try to find full-time employment, unless the probation officer excuses you from doing so. If you plan to change where you work or anything about your work (such as your position or your job responsibilities), you must notify the probation officer at least 10 days before the change. If notifying the probation officer at least 10 days in advance is not possible due to unanticipated circumstances, you must notify the probation officer within 72 hours of becoming aware of a change or expected change.
- 8. You must not communicate or interact with someone you know is engaged in criminal activity. If you know someone has been convicted of a felony, you must not knowingly communicate or interact with that person without first getting the permission of the probation officer.
- 9. If you are arrested or questioned by a law enforcement officer, you must notify the probation officer within 72 hours.
- 10. You must not own, possess, or have access to a firearm, ammunition, destructive device, or dangerous weapon (i.e., anything that was designed, or was modified for, the specific purpose of causing bodily injury or death to another person such as nunchakus or tasers).
- 11. You must not act or make any agreement with a law enforcement agency to act as a confidential human source or informant without first getting the permission of the court.
- 12. You must follow the instructions of the probation officer related to the conditions of supervision.

The search must be conducted by a United States Probation Officer, although other law enforcement officers may assist the Probation Officer. You must notify any other people who use the Device(s) that it is subject to examination pursuant to this condition. You must provide the U.S. Probation Office advance notification of planned use of any Device(s), and will not use any Device(s) without approval until compatibility (i.e., software, operating system, email, web-browser) is determined and installation is completed. Applications for your Device(s) shall be approved by the U.S. Probation Office once the Probation Office ensures compatibility with the surveillance/monitoring application or software. Websites, chatrooms, messaging, and social networking sites shall be accessed via the Device(s) web browser unless otherwise authorized. You will not create or access any internet service provider account or other online service using someone else's account, name, designation or alias. You will not utilize any peer-to-peer and/or file sharing applications without the prior approval of your probation officer. The use of any Device(s) in the course of employment will be subject to monitoring or restriction as permitted by the employer.

It is recommended that you be supervised by your district of residence.
